### **NAPHA rules pertaining to Amateur/Professional and Novice rules:**

Anyone competing in a class or Division declared for “Amateurs” only must have a signed NAPHA Amateur Declaration on file with the NAPHA, or filed with the show secretary, prior to the start of the show that morning of the class entered. Amateurs must file annually. Regardless of one’s equestrian skills and/or accomplishments, a person is an amateur if after their 18th birthday they have not engaged in any of the activities identified in PART X Glossary of Terms, Section 10 Professional, of the NAPHA Show Rules. Every person who has reached his/her 18th birthday and competes in classes for amateurs under NAPHA rules must be listed on the NAPHA website as an Amateur or have signed a NAPHA Amateur Declaration and filed with the show secretary, prior to the start of the show that morning of the class entered. Amateur status will be issued only on receipt of the application properly signed and is revocable at any time for cause. Any person who has not reached his/her 18th birthday is an amateur and does not require amateur status. See PART X GLOSSARY OF TERMS for complete definition of Amateur and Professional, of the NAPHA Show Rules.

**Novice Classes:** Anyone competing in a class or Division declared for “Novices” only must have a signed NAPHA Novice Declaration on file with the NAPHA, or with the show secretary, prior to the start of the show. Novices must file this form annually. An exhibitor (18 years and older) can compete in the Novice Division for a period of 3 years. If the Novice, at the end of 3 years has not competed in more than 8 NAPHA approved shows during that period they may extend the time period for another 3 years (double shows count as one show). ***However, if at any time, a Novice competes and wins a Champion title in gait, breeding, or performance (any other Division above the level of Novice) they will be immediately excluded from competing in the Novice Division at future shows.***

**Owner:** The name on the certificate of ownership, issued by the NAPHA, AAOBPPH, PPHRNA, OR PHAC, and their minor children. If the horse is owned by a ranch, corporation, or a family trust the individuals’ names must be registered with the NAPHA. Lessees will not be allowed to show leased horses in classes where only the owner is allowed to ride.

**High Point Awards:** In the event of a tie for any high point award, ties will be broken by the number of 1st places won, then 2nds, then 3rds, etc. All qualifying classes are listed on class list.

Cactus Classic Declaration of Amateur Status: Levels 1 & 2. This form must be completed for each show year

Exhibitor/Rider) \_\_\_\_\_

Level 1: \_\_\_\_\_ Level 2: \_\_\_\_\_ (Check one)

Exhibitor Signature: \_\_\_\_\_

All amateur exhibitors are required to declare their level (1 or 2) riding status prior to the beginning of this current Cactus Classic show. Also, a signed NAPHA amateur declaration form must be on file with NAPHA or completed prior to the start of show. (This form will not suffice for that requirement.) The criteria for level declaration are as follows:

Amateur Level 1: Exhibitor/rider has NOT won more than 25 Champion of Champions titles from any NAPHA or PHAC approved show, in AMATEUR performance, Open Performance, Breeding/Luxury and AOTR Performance, AOTR Breeding/Luxury Classes. (Best Gaited & Best Bozal not included).

Amateur Level 2: Exhibitor/rider HAS won more than 25 Champion of Champions titles from any NAPHA or PHAC approved show, in AMATEUR performance, Open Performance, Breeding/Luxury and AOTR Performance, AOTR Breeding/Luxury Classes. (Best Gaited & Best Bozal not included).

All exhibitors who are current NAPHA carded judges, must declare Level 2. Riders who have regained their amateur status from Professional status in the last 10 years must compete in Level 2.

General Rules:

If a horse qualifies for a Champion/Reserve & Champion of Champions class with a level 1 rider, only a level 1 rider can complete competition in that division. A returning Champion of Champions must choose the level they will compete in and cannot change levels. (Different level 1 riders can compete on the same horse for that division.) If a horse qualifies in the amateur division with riders of both level 1 and level 2, they can only compete in championships of one level, and must stay with that level rider in champion and champion of champions. IE: wins champion level 2, can only compete in champion of champions level 2

Exhibitors MUST qualify for the level they compete in. IE: a rider with less than 25 Champion of Champion Titles cannot choose to compete in level 2 as they do not qualify for level 2. Levels cannot be changed during a show.

If an exhibitor starts the year as a level 1 rider, but surpasses the 25 Champion of Champions titles requirement during the show year at any NAPHA approved or Canadian show, they are allowed to compete at a level 1 for the remainder of the current show year (applies to Cactus Classic show only).

If any exhibitor questions & chooses to protest a rider at either level, it will be up to that exhibitor to present their evidence to the Show Committee. If the committee affirms the violation of a level status, that exhibitor may face disqualification of wins for that particular show & must return all amateur level awards to the club.
