🐾 RANCH NEWS 🐾

Del Dios Peruvians

After a successful Gold Rush Show we are trail riding! We have a local park with a nice lake that's great for a trail ride. We are very close to the Santa Margarita River trail which is the premier fresh water preserve in Southern California. We are also just 45 min or so from Fiesta Island where horses can enjoy salt water in the bay! The views and the breeze are magnificent!

We have gently started our young mare MLM Confianza del Dios under saddle and she has taken to it like a duck to water.

Jorge Valenzuela Training Center

Jorge Valenzuela proudly represented the Peruvian Paso Horse August 18th at the APIC Asocio Peruana Internacional de Cultura. There was an overwhelmingly enthusiastic crowd who watched as Jorge and RSV Noble Sol danced. It was great to see many old friends and meet new people who wanted to learn more about the breed and what we do.
